

# RURAL AMBASSADOR COMPETITION

The Rural Rural Ambassador Awards are open to Males and Females who have a strong commitment to the rural industries and an involvement and passion for the Agricultural Show Movement.

The aim of the Rural Ambassador Awards is to highlight the importance of young people in rural and regional Queensland, in particular those associated with the Agricultural Show Movement. The Award identifies those people actively involved in their local show, who have a sound knowledge of current rural issues affecting their local areas, Queensland and Australia and have a strong affiliation with agriculture.

The awards seeks young men and women who symbolise the rural spirit – people with vitality who are forward thinking and with a passion for the land and local agricultural shows.

For the Open Category this is a national competition, but with New Zealand joining the competition it has expanded to international status.
